## Dear SUPPLIER

Our company operates according to an Environmental Management System compliant with the UNI EN ISO 14001 standard. This policy includes information and awareness-raising activities designed to ensure environmentally responsible and respectful behavior, which all employees working with NUOVA GUARNIBETA S.R.L. must adhere to. The management of NUOVA GUARNIBETA S.R.L. is committed to raising awareness of environmental protection among all employees and suppliers and to conducting their work activities in accordance with the principles of sustainable development, human health protection, and environmental resources. The scope of the Environmental Management System is as follows: Production and marketing of technical rubber and rubber-metal products

## IT THEREFORE ASKS ALL COLLABORATORS AND SUPPLIERS TO COMMIT THEMSELVES TO:

- Comply with all environmental laws applicable to their work activities.
- Reduce, where possible, the consumption of natural resources and encourage recycling or reuse.
- Eliminate emissions and waste production directly at the source, where possible
- Adopt new technologies aimed at preventing pollution in their production processes, where possible.
- Adopt all necessary measures to prevent risks and protect their workers.

## WE ALSO ASK ALL EMPLOYEES AND SUPPLIERS WORKING WITHIN OUR PRODUCTION FACILITY TO OBSERVE THE FOLLOWING RULES WHILE CARRYING OUT THEIR ACTIVITIES:

- Manage any waste produced in accordance with applicable legislation.
- Contact the Environmental Management Manager (RSGA) of NUOVA GUARNIBETA S.R.L. if your activities result in the production of waste.
- If you have any questions regarding waste management, contact the RSGA (Davide Belotti).
- Avoid leaks or spills of any kind.
- In the event of any spills or leaks, immediately notify the RSGA (Davide Belotti).
- Inform the RSGA of all situations of actual or potential risk to the environment and of any critical issues you are aware of relating to your activities (e.g., accidental chemical spills).
- Keep all vehicles and equipment used in good condition.
- Turn off vehicle engines during prolonged stops, consistent with operational needs (e.g., when loading and unloading goods).
- Strictly comply with the rules in force in the NUOVA GUARNIBETA S.R.L. factory.

|-----------------------------------------------------------------------------------|------------------------------------|------------------------|
|  | MAG 03.01                          | REV. 00 DEL 01/01/2026 |
|                                                                                   | SUPPLIER ENVIRONMENTAL INFORMATION |                        |

**WE ALSO REMIND YOU THAT WITHIN OUR PRODUCTION UNIT IT IS STRICTLY PROHIBITED TO:**

- Wash vehicles, tanks, or containers in outdoor areas.
  - Deposit waste or other unused material without first contacting the RSGA and receiving authorization
  - Cause spills of any kind in outdoor areas.
  - Pour any substance, whether liquid or solid, into manholes in yards.
  - Conduct potentially hazardous activities without using adequate PPE or pollution prevention systems.
- Abandon any type of waste, whether in the waste generation area, in the workplace, or in outdoor areas.
- Mix waste of different types and nature.

Finally, please find attached a copy of NUOVA GUARNIBETA S.R.L.'s Environmental Policy.
